**Nov. 4 - "The Spider Spins a Beautiful
 Web But..." - Habakkuk 1:1-4;2:1-4**

There was a spider who spun a beautiful web that was held up by a single initial strand. The spider thought it no longer needed that single web and cut it, but the whole web collapsed and the spider was crushed.

1. Don't cut the cord of faith - it is a life-line to God and a link to His love and care.
 2. If God is so good and great, why is there so much evil in the world?
 - 2a. God wants to hear from you and what's on your mind, even if it is negative.
 - 2b. We have to be patient and wait on God for His reply.
 - 2c. God wants us to be happy and well, but we have to wait on His time.
 - 2d. We may have times of despair and despondency, but so did many of the great people of the Bible - they questioned God and themselves and wanted to quit, but didn't.
 3. We are especially blessed because we've believed even though we haven't seen - unlike Thomas who had to see to believe.
 4. Our answer and Habakkuk's answer came in 2:4 - the Righteous shall live by faith.
 - 4a. Our faith comes out in our lives.
 - 4b. The nine fruit of the Spirit will come out automatically.
5. The difficult part is living by faith and responding to the calling or urging of God in your daily life.

Oct. 28 - "A Tree Known by Its Fruit" - Luke 18:9-14

1. The Pharisee thought he was righteous because he went beyond the law's requirements - he was boasting to God but not asking God for anything.
2. The Tax Collector boasted of nothing but asked God for forgiveness and mercy.
3. Righteousness involves not only following the law but also seeking God in humility.
4. Forgiveness, mercy, love, and being peacemakers are characteristics of the righteous.

Announcements

A Little About our Evangelist - <http://www.jcevangalisticministries.com/>

Blessed with the spiritual gifts of preaching and evangelism, Jason Roe has dedicated himself to the ministry of spreading the Gospel of Jesus Christ to the ends of the earth. The foundation of Jason's ministry claims Mark 16:15: 'Go into all the world and proclaim the Gospel to the whole creation.'

Jason's ministry started in youth ministry in 1994. As a youth pastor, he received invitations to preach revivals, retreats, and conferences. In 1997, Jason went on staff at Seymour United Methodist Church as their Minister of Youth and Education. As his gifts developed, the congregation at Seymour confirmed his call to Evangelism and opened the door for Jason to enter into full time evangelism. He received an Associates of Science degree from Hiwassee College in Madisonville, Tennessee, a Bachelor of Arts degree from the University of Tennessee, Knoxville, and a Masters of Divinity from Asbury Seminary. Today, Jason is serving as a General Evangelist for the Holston Conference.

Jason is blessed with a wonderful Christian wife, Holly, who is a partner in his ministry through her gifts of music. They are parents of two great kids, Madison and Grayson. They are dedicated to the lifelong mission of spreading the Gospel of Jesus Christ throughout the world.

We now have enough people signed up for the Thanksgiving meal cooking. But we will need a few strong fellows to be at Trinity early Thursday morning to help with lifting, baking and loading the turkey because our cook has had surgery and still can't lift the pans.

The 80th birthday reception for Jackie Collins will be on Sat., Nov. 17, from 2:00-4:00 at Bales Chapel UMC.

Confirmation Classes will resume on Sun., Dec. 2, at 6:00

The next two Sunday Evening services after the Thanksgiving service will follow the story of the early church.

Aren't you getting tired of seeing this announcement? You know how to make it go away, don't you? We have assistants, but we still need a leader for the Team Kids and Mission Kids in 2008. There's plenty of time to observe the current leaders in action and learn the job before January.
