Sunday School

**\*Please stand as you are able**

Christmas Play Practice begins tonight at 5:00! There's plenty of parts for children, youth and even adults, so we need you! Even if you're bashful. See the insert for a little bit about the play and a listing of parts to be filled.

The Church Council will meet tomorrow night at 6:30 at the church.

The Radical Generation Youth Group and the Mission/Team kids will meet tonight at the church at 6:00.

Please note the following change: Instead of a Charge Conference, this year we will be having a Church Conference next Sunday at 6:30 for Hardins, Mosheim and Bales Chapel. The difference is that the entire church is asked to attend and not just the charge or board members.

UMW Women! If you have any pictures from previous UMW events or activities of the past 5-10 years, please bring them to the next meeting for the UMW Sunday presentation.

Lord's Acre is here! Please take as many of the aluminum pans as you think you'll need for your cooking and baking and other items. Some of your juicier vegetables or heavier meats you might want to use a double pan.

**Please have your Country Market items at the church by 2:00. Have them labeled and priced, but don't put the price on the actual label. Please have your piping hot food here by 3:15. Auctions items should arrive as early as possible. Label them as well with what the item is and who made it or donated it and any other information that'll help it to sell for more.**

**Please plan on attending a special praise and thanksgiving service for the Lord's Acre tonight at 7:00.**

**The 2009 Pounds and Talents Season will officially ends today.**

No Tuesday night study this week! Pastor Lew has a meeting all day in Morristown and you've got Lord's Acre projects to finish. We'll start next Tuesday with an all-new study!
