Sunday School

**\*Please stand as you are able**

Hopefully you already know this, but the church services are organized around the Scripture of the day. To help emphasize this, we are moving the Scripture reading closer to the front of the service.

If you have no lunch plans, Mosheim Central is having a soup and sandwich fundraiser today after their worship service.

The Radical Generation Youth Group and the Mission/Team kids will meet tonight at the church at 6:00.

Please note the following change: Instead of a Charge Conference, this year we will be having a Church Conference. The difference is that the entire church is asked to attend and not just the charge or board members.

Lord's Acre is upon us! Please take as many of the aluminum pans as you think you'll need for your cooking and baking and other items. Some of your juicier vegetables or heavier meats you might want to use a double pan. If we run out we'll buy more for next week, so don't be bashful.

**Please plan on attending a special praise and thanksgiving service for the Lord's Acre next Sunday night, Oct. 11, at 7:00.**

**The 2009 Pounds and Talents Season will officially end next Sunday. Please begin bringing your bags back in next week.**

The 20's-30's small group will be meeting Monday night at the parsonage! It will meet again on the 26th.

We'll finish up our study of Amos this Tuesday night and make plans to begin a new study next week! Read Amos chapters 6-9 to prepare. The covered dish meal is at 6:30 and the study is from 7:00-8:00. Choir practice will follow the study.

The pastor will stay as long as he can in the vestibule during announcements in case anyone needs to speak to him before he leaves.
