

Call to Action Goal Data Collection

You may want to encourage your churches to enter their own information at the Vital Congregations website (www.umvitalcongregations.org) or you may enter the information once you receive the hard copy from the church. Consider asking if they have already entered their goals on-line when the pastors are turning the information in to the District Office. Also, obtain information related to the person submitting the projections and their email address as this is needed when entering each congregation's information.

Go to <http://www.umvitalcongregations.org>

Click on the tab labeled **Setting Goals**. There you will find a short You Tube video that gives excellent instructions on how to input data.

Here are the Steps to Enter Goal Data

1. Select **Setting Goals** tab
2. Find the **Setting Vital Congregation Goals** heading on the right side of the page.
3. Select Congregations: Click here to set your Goals
4. Scroll down the page and to the middle option **Select by Conference**. Enter **Conference:** <Holston> and **District:** < >
5. **Select Your Church from the List Below** will appear with the option to **Select Your Church**. (Select the church you want to enter). If the church has already entered their goal data, it should appear for 2012-2015.
6. If the church has not entered their data, then you will need to complete the chart with the goals they have submitted to you.
 - a. Enter stats for 2012-2015 for all categories
 - b. In the box labeled **Your First and Last Name**, please enter the name of the person submitting information (normally the pastor)
 - c. In the box labeled **Your E-Mail Address**, please enter email address for person submitting information (normally pastor)
 - d. Press **Submit**.

I will send out more instructions to help you determine who has entered information and who has not after the first of the year. We can run a spreadsheet that will show us any missing information. I would encourage you to input data as you receive your stats from the churches. I have attached a couple of screen shots below that will insure you are in the right place.

Thank you for your assistance! Please feel free to contact me with any questions.
